## A DAY OF MY LIFE

## LIFE PHILOSOPHY

*"No matter what, don't ever forget about yourself."*

*Work is not everything, so I set a limit of 11 hours of hard-work a day. The rest is for enjoying life.*

## MOST PROUD OF

Persistence

I have learned that if someone wants to achieve something, they can do it. I learned that there is always a way to achieve it. There are no excuses

Loyalty to myself

I pursue my dreams and my goals with all my strength. No distractions

Different Perspectives

I am always open to listen every idea. There is always something new to learn.

Help others

Every idea, every project of mine... they all aim to help people. That's the goal of Technology. We must not lose that meaning

## STRENGTHS
